verse one:

You can tell me anything you want.
I'll listen.
You can tell me anything you want.
I'll listen.
No matter what you're goin' through.
You'll hear me say it's okay to be you.

chorus:

We're safe here to share our stories,
Safe here to speak our truth.
Smiles grow, worries disappear.
We know we're safe here.

verse two:

If you ever need a friend you trust,
I'll be one.
If you ever need a friend you trust,
I'll be one.
Just take your time. I'll keep my word.
You have a choice, and your voice will be heard.

(repeat chorus)

bridge:

We believe in hopin'.
Here hearts are always open.
