

# Give It Back

If you'd like to borrow my bike,  
I'd like to lend it to you,  
If you've decided after you ride it,  
After you're through,  
You know that after you're done,  
There's only one thing left to do . . .

## *Chorus:*

Give it back. Give it back the way you got it.  
Give it back. Give it back the way you got it.  
Give it back. Give it back. It means a lot if you  
Give it back. Give it back the way you got it.  
Give it back. I'd do the same for you.

And if you'd like to borrow my shirt,  
I'd like to lend it to you,  
If you don't tear it, don't wear it out,  
Then after you're through,  
After you're done,  
There's only one thing left to do . . .

## *Chorus 2*

Give it back. Give it back the way you got it.  
Give it back. Give it back the way you got it.  
Give it back. Give it back. Don't want it spotted.  
Give it back. Give it back the way you got it.  
Give it back. I'd do the same for you.

And if you'd like to borrow a book,  
I'd like to lend it to you,  
If you don't lose it, and after you use it,  
After you're through,  
There's only one thing left to do . . .

*Repeat Chorus 1 twice.*
