Who Knows What's a Kudo?

Chorus:
Who knows what's a kudo? I know, I do-
Tellin' someone something nice, something that's true,
Something nice they do, something nice and new.

I like how you spell. I like how you run.
I like how you help when there's work to be done.
I like how you paint, -all the time that you take.
Without a complaint, if you make a mistake.

Chorus

You were great in the play, you got your lines right.
You got pushed today, but you didn't start a fight.
Just like you were wishin' you passed your exam.
I love how you listen, and ask how I am.

Chorus

Thank you, for whatcha said and whatcha do.
Thank you, you hit the spot.
Thank you, and you too, and you too.
Thank you, thanks a lot, thanks a lot.

I like how you clown. You can admit when you're wrong.
I like how you sound, keep singing along.
You light up like the sun whenever you smile,
So let's have some fun, and pass it down the aisle.

Now who knows what's a kudo? We know, we do-
Tellin' someone something nice, something that's true,
Something nice they do, something nice and new. (repeat)

Baba daba bop, bop badop. (repeat)

Thank you, for what you said and what you do.
Thank you, you hit the spot, thanks a lot. Thank you.
Now, who knows what's a kudo? I know, I do. Thanks a lot!
