Don't Say Maybe

Walking home the other day I met a friend,
And I asked if she could play, then asked again,
'Cause I thought she hadn't heard from looks she gave me.
So I asked her again, and she said, "Well, maybe."

Chorus:
When I hear maybe, it drives me crazy.
Why don't you tell me there's just no way?
Lay it on me straight, without the gravy.
Say what you gotta say,
But don't say maybe again.

My brother Bob
Just bought a new guitar.
He's not a snob,
But he thinks that he's a star.
And when I asked if I could play it,
He said, "Uh, maybe."
Though I tried not to swear,
The devil made me.

Chorus

"Nobody said life is easy."
That's what I hear all the time.
But if I had a wish,
It would please me
If they made saying maybe a crime.

Chorus
