

Little Bubbles

by Dylan Glanzer and Jon Martinez

(chords: C G D)

Oh Little Bubbles float all around me

I love to pop them, or catch one if I can

See all the colors, bright rainbows floating free

Oh see what fun we have, you and me!

(popping sounds)

Counter melody:

See those bubbles floating freely

Sometime they pop and sometimes I catch them

Colors flying nice and easy

Watch them float like tiny rainbows
