

# LOVE LARGE

by Joyce Johnson Rouse

There is a love so great I cannot get my words around it  
It is bigger than the heavens and the seas  
I do believe this love is growing ever stronger  
But it needs a little help from you and me to

Love Large, larger than you have ever seen  
Love Large, larger than you can even dream  
If you believe in your heart of hearts  
That love can change the world  
We can learn to love ourselves and everybody else  
And Love Large

Sometimes loving large means hanging on a little longer  
Sometimes all it means is letting go  
If you listen to the still small voice there in your heart  
It will tell you all you need to know to

Love Large, larger than you have ever seen  
Love Large, larger than you can even dream  
If you believe in your heart of hearts  
That love can change the world  
We can learn to love ourselves and everybody else  
And Love Large
