

Big Blue Sky

(Fran Friedman, Hug Records, 2008)

Hello everybody, clap your hands.

Everybody clap with me. (2x)

We'll clap down low.

Clap up high.

Clap up to the big blue sky.

Got to clap, clap, clap, clap,

Clap a-little-long with me.

Hello everybody, touch you toes...

Hello everybody, reach up high...

Hello everybody, jump up high...

Hello everybody, get a hug...

Hello everybody, clap your hands...
