

All the Way Around the World

(Katherine Dines, Kiddie Korral Music,
1984, ASCAP)

This boat's going to carry
happiness, happiness, happiness.

This boat's going
to carry happiness,
all the way around the world.

This boat's going
to carry harmony...

Chorus:

All the way around the world
This boat's going fly
with its sails unfurled
for every boy and every girl,
all the way around the world.

This boat's going
to carry all my friends...

This boat's going
to carry lots of hugs...

(Chorus)

This boat's going to carry happiness...

(Chorus)
