

# ***Whale and the Fish***

(Cheryl Airhart, Felt Book Stories, 2001)

There are 5 little fishies  
swimming in a pail. (2x)

If 1 little fish  
got swallowed by a whale,  
there'll be 4 little fishies  
swimming in a pail.

There are 4 little fishies...

There are 3 little fishies...

There are 2 little fishies...

There is 1 little fishy...

There'll be no little fishies...
