

# EMPATHY

Lyrics by Fyütch & Lucy Kalantari

---

## CHORUS

Empathy  
I feel for you  
You feel for me  
Empathy  
Compassion is everything  
Empathy  
I'm here for you  
You're here for me  
Empathy  
That's how it's supposed to be

## VERSE 1

'cause I love and I breathe  
I hurt and I grieve  
I want and I need  
A friend or 2 or 3  
Connection is everything  
So simple humanity  
Complicated - doesn't have to be  
But we're so boxed in we can't see  
Life's a journey - we're all searching  
And I can't judge you cause no one's perfect  
We get so stuck on the surface  
Take a look behind the curtain  
In a world of coexistence  
Love is our resistance  
It's no longer a mystery  
We already found the key  
And that's empathy

## CHORUS

## **VERSE 2**

I can see when your sad  
I can feel it too  
And I'll hold your hand because  
That's what friends do  
And we understand  
It can take two to get through  
Things don't have to be shallow  
When we got each other's sorrow  
I can lift you up  
I can lift you up  
That's the magic of

## **CHORUS**

### **BRIDGE**

Step into someone else's shoes  
Doo doo doo Doo doo doo Doo doo doo  
And get a different point of view  
Doo doo doo Doo doo doo Doo doo doo  
See what they see  
Feel what they feel  
You'll be wrapped up  
In a new perspective  
See what they see  
Feel what they feel  
You'll be wrapped up and  
Falling in the feeling of
