

## 1. We Have A Dream

*Words and Music by Hap Palmer – Inspired by Martin Luther King*

We have a dream  
We see freedom in the air  
With justice and security  
For people everywhere

We have a dream  
We have seen the Promised Land  
We are climbing up the mountain,  
Together hand in hand

When we work as one community  
We find the strength in unity  
Providing opportunity  
For all to learn and grow

We have a dream  
We have seen the Promised Land  
We are climbing up the mountain,  
Together hand in hand

We have a dream, we see freedom in the air  
We have a dream, for people everywhere  
When we work as one community  
We find the strength in unity  
Providing opportunity  
For all to learn and grow

We have a dream  
We see freedom in the air  
With justice and security  
For people everywhere

We have a dream  
We have seen the Promised Land  
We are climbing up the mountain,  
Together hand in hand  
We are climbing up the mountain,  
Together hand in hand

*The line "We have a dream" begins each verse and occurs at regular intervals. This is called the "Instant Sing Line" because once you learn this simple phrase you can start singing. As you sing along you are hearing the rest of the words and before long you will know the whole song!*

***Note:** In the Bible "Promised Land" refers to the land of Canaan, which was promised to Abraham and his descendants (Gen. 12:7). In general use, Promised Land means a place or situation in which someone expects to find greater happiness.*
