Words and music by Jack Hartmann, MA, BMI Copyright 2007

(Chorus)

Community

We are so proud to be

Community

Stand up, clap and say

Community

Look all around you'll see

People working, playing, helping

All together they are making it better

Let's spell it together!

Com-mu-ni-ty

Com-mu-ni-ty

Com-mu-ni-ty

We all work together to make it better

Repeat Chorus

We've got teachers, doctors, farmers, soldiers, cooks

Lifeguards, lawyers, coaches, painters, plumbers

Maids, bakers, pilots, nurses, guitar players

Police officers, firefighters, postal workers, bus drivers

Judges, grocers, cowboys, miners don't forget

Songwriters!

Com-mu-ni-ty

Com-mu-ni-ty

Com-mu-ni-ty

We all work together to make it better

Repeat Chorus
