

4. Step by Step

Words and music by Jack Hartmann, MA, BMI Copyright 2007

Step by step by step by step

In science, to answer questions

Use the steps of the Scientific Method

In science, to answer questions

Use the steps of the Scientific Method

A D M S I T – R I S

A D M S I T – R I S

A for ask – ask a question

D for do – do background research

M for make – make your predictions

S for state – state your hypothesis

I for identify – identify your variables

T for test – test your hypothesis

R for record – record your data

I for interpret – interpret your data

S for state – state your conclusion

The Scientific Method goes step by step by step by step

The Scientific Method, you experiment, you experiment

You start with a question, then find a solution

The Scientific Method – you can do it, you can do it

Repeat all parts

A D M S I T – R I S

A D M S I T – R I S

You can do it; you can do it!
