Words and Music by Jack Hartmann, MA, BMI Copyright 2007

Everybody get on up (Chorus)
Let's have some fun and move
We're gonna stretch, we're gonna pump
Get in a testing groove

We're gonna clap, we're gonna sing
Do everything we can
Come on let's do the
Do your best test taking chant

Follow me move and sing
Stretch your body left and right(*students echo*)
I'll manage my test taking time(*students echo*)
Pump up like bodybuilders do(*students echo*)
Before the test I'll eat good foods(*students echo*)

Do jumping jacks get feeling loose(*students echo*)
The test won't change my grades at school(*students echo*)

I will do my best when I take that test
I will do my best when I take that test

Be scary – walk like Frankenstein (*students echo*)
I'll do one question at a time(*students echo*)
Karate Kid – wax on, wax off (*students echo*)
If I go blank, I'll just move on(*students echo*)

Robot walk – cross left and right(*students echo*)
I'll prove my answers, justify(*students echo*)

I will do my best when I take that test
I will do my best when I take that test

Jump and shoot at basketball(*students echo*)
I'll read the answers one and all(*students echo*)
Climb a mountain way up high(*students echo*)
I'll circle, square or underline(*students echo*)

High five a friend and say "it's cool"(*students echo*)
Let's do the best that we can do(*students echo*)

I will do my best when I take that test
I will do my best when I take that test

Repeat Chorus
