

Numbercise

Words and Music by Jack Hartmann, copyright 2011 Jack Hartmann

You can move your body and do the chicken dance
You can move your body, sway and clap your hands Chorus
You can move your body, make numbers if you try
Let's start with zero go to nine, Numbercise

- 0 - Circle left and round you go, round and round it's number 0
- 1 - Start at the top and down you run, one straight line it's number 1
- 2 - Make half a heart give it a shoe, top to bottom it's number 2
- 3 - Half round a tree, half round a tree, curve it, curve it, it's number 3
- 4 - Down and over and down some more, all straight lines it's number 4

(Chorus)

- 5 - Down and around with a flag on high, every time it's number 5
- 6 - Make a curve then loop in quick, got the scoop it's number 6
- 7 - Across the sky and down from heaven, high to low it's number 7
- 8 - Make an "S" and do not wait, curve back up it's number 8
- 9 - Make a hoop then drop a line, after 8 it's number 9

(Chorus)
