

# Rock to the Beat

Words and Music by Jack Hartmann, copyright 2011 Jack Hartmann

Everybody clap your hands, clap your hands with me  
C'mon rock, rock, rock, rock to the beat  
Everybody shake your hips, shake your hips with me  
C'mon rock, rock, rock to the beat  
Everybody twist your feet, twist your feet with me  
C'mon rock, rock, rock, rock to the beat

Rock to the beat, play your guitar  
Play it like this, you're a superstar

Rock to the beat, play your bass  
Play it so cool, rock this place

Rock to the beat, play those keys  
Play it real funky, sounds so sweet

Rock to the beat, play those drums  
Play them so good, just have fun

(Chorus)

Rock, rock, rock, rock to the beat  
Jammin' man, cool!
