

Zero the Hero

Words and Music by Jack Hartmann, copyright 2011 Jack Hartmann

He's got big muscles, a cool cape
He can fly any place
When we counts numbers, he flies in
Pumps up a zero on every ten
He's zero the hero
at the number nine he always arrives
He's zero the hero
Let's count with zero and exercise

Reach up and count

1-2-3-4-5-6-7-8-9

Zero flies in, pumps up a zero, one set of ten *TEN*

Arm circles and count

10-11-12-13-14-15-16-17-18-19

Zero flies in, pumps up a zero, two sets of ten *TWENTY*

Arm curls and count

Zero flies in, pumps up a zero, three sets of ten *THIRTY*

He's Zero the Hero

Every day he keeps numbers in place

He's Zero the Hero

He's so smart and strong, he helps us count on and on and on...
