The Olympic Games

Activity: Children can echo and sing along with the children on the recording. Lots of hand-on projects can be done with the children (i.e. Color the Olympic Rings, create a pledge to play fair, talk about what they like about the Olympics, learn more about the history.)

Chorus: The Olympic games started long ago.
The Olympic games started in Greece you know.
The Olympic games, now all the world will come.
The Olympic games are for everyone.

It burns for peace through the day and night. Repeat.
All the flags of the world will be flying free. Repeat.
All the athletes are proud of their country. Repeat.

(Repeat Chorus)

The athletes take the Olympic oath. Repeat.
They pledge to play fair and be a good sport. Repeat.

All the people of the world will together sing. Repeat.
