

Follow A Dream – Kinder Games

Activity: This song was designed to be the theme song for a special program to involve kindergarten children in learning about the Olympics. Learning about the Olympics can be a springboard to study the topics on nutrition, sports, health, self-esteem and lots more.

We have come together, from all around.
The East and the West, the North and the South.
We are all different, yet we're all the same.
With a dream in our heart we are on our way. 2X
See the colors shining. See the hands waving proud.
It's a wonderful feeling; we're feeling right now.
All the work we've done. All the love it takes.
Raise your hands up high, celebrate, celebrate.
The Olympic games.

Chorus:

That's where we'll play. That's where we'll run.
That's where we'll celebrate, under the sun.
People together, the whole world to see.
People together to follow a dream
We have come together to play in peace.
Trying to be the best we can be. (Repeat)
