14 - Freddy The Friendly Duck

Who is the one who waddles when he goes,
Who always says hello, everybody knows
Who is the one who likes to swim and play
Who makes new friends each day

(Chorus) The children always say,
That's Freddy the Friendly Duck, he likes to wiggle waddle up to me
That's Freddy the Friendly Duck, I'm so glad he's my friend you see
He wiggle waddles, wiggle waddles up to me and then
He makes his favorite sound, he flaps his wings up and down so free
He's the friendliest duck in town

Repeat Chorus

Who is the one who shakes his feathered tail
Who's always waiting there to show you that he cares
Who is one who quacks as he plays
Who has fun every day, the children always soy

Repeat Chorus
