

The More You Move the More You Learn

The More You Move, the More You Learn

My teacher told me, that's what I heard

Gonna' move my body, really rock

Keep on learning and never stop

Count 1 to 10 together

When you move like a monkey, you learn it better

1 2 3 4 5 6 7 8 9 10

Count backwards from 10 together

When you're moving to the Cabbage Patch, you learn it better

10 9 8 7 6 5 4 3 2 1

(Chorus)

Sing the ABC's together

When you move and walk in place, you learn it better

ABCDEFGHIJKLMNOPQRSTUVWXYZ

(Chorus)

The More You Move the More You Learn
