

### 5. My Rhinoceros (Ed Lipton)

G C G  
My rhinoceros, my rhinoceros  
D7 G  
She has such a beautiful smile  
C G  
My rhinoceros, my rhinoceros  
D7 G  
But she smiles only once in a while  
G C G  
My rhinoceros gets silly  
G C G  
When we go for an auto ride  
G C G  
If she doesn't want to go with us  
D7 G  
She runs to her room to hide...  
My rhinoceros loves doughnuts  
She eats them night and morn  
But she doesn't have any pockets  
So she carries them on her horn...  
My rhinoceros gets dirty  
And mama tells her to scrub  
But there isn't room for the water  
When she gets into the tub...  
My rhinoceros get sleepy  
She has to take her a nap  
But you have to read her a story  
And let her sit on your lap...
