Animals Move In Their Own Special Way
Some Prefer The Night, And Others Day
But No Matter What They Do
It's Different From Me And You
Those Animals Know How To Move In Their Own Special Way

Come On And Hop Like The Kangaroos Hop
Do A Little Hippty-Hop
Sway Like The Elephants Sway
In Their Own Elephant Way
Glide Like The Eagles Glide
Up On The Wind We Will Ride
Those Animals Know How To Move In Their Own Special Way

Swing Like The Monkeys Swing
They're Just Doin' Their Thing
Prance Like The Horses Prance
Just Like You're Doin' A Dance
Swim Like The Fishies Do
Underneath The Ocean Blue

Those Animals Know How To Move
"They Really Know How To Groove"
Those Animals Know How To Move In Their Own Special Way
