"DO YOU WANNA PLAY IN MY PLAYGROUND"

Words & Music By James B. Coffey

Do You Want To Have Some Fun
I Know A Way To Make It Happen
Let's Pretend We're Building A Town
Do You Wanna Play In My Playground

Do You Want To Have Some Fun
I Know A Way To Make It Happen
Let's Pretend We're Building A Town
Do You Wanna Play In My Playground

Everyone Has A Job To Do
Moving Earth Or Building Highways
Gotta Get It Done Before The Sun Goes Down
Do You Wanna Play In My Playground

Dig Some Dirt And Move It Around
Clear The Way Another Load Is Coming
Engines Roar And Hammers Pound
Do You Wanna Play In My Playground

Do You Want To Have Some Fun
I Know A Way To Make It Happen
Let's Pretend We're Building A Town
Do You Wanna Play In My Playground
Do You Wanna Play In My Playground
Do You Wanna Play In My Playground
