High Up In The Trees Lives My Little Friend
I See Him Almost Everyday Down By The River Bend
That's Jabu...The Little Monkey
He Makes A Little Bed Out Of Twigs And Leaves
And Takes A Little Nap In The Jungle Trees
That's Jabu...The Little Monkey
"Such A Funny Little Monkey"

Jabu Here, Jabu There
Just A Swingin' Through The Trees Without A Hardly A Care
That's Jabu...The Little Monkey
He's Got A Little Red Spot On The Tip Of His Nose
He Makes A Funny Little Sound When You Tickle His Toes
That's Jabu...The Little Monkey
"Such A Funny Little Monkey"

He Ate Too Many Berries Got A Tummy Ache
The Very Next Day He Made The Same Mistake
That's Jabu...The Little Monkey
Whenever I Go Walkin' By His Favorite Tree
I Know He's Up There Somewhere Lookin' Down On Me
That's Jabu...The Little Monkey
"Such A Funny Little Monkey"

(Chorus)
