

TODAY IS A DANCING DAY

Chorus

Hey, hey, hey! Today is a dancing day, Hey, hey, hey! Today's a dancing day! (2x)

Don't worry 'bout the beat, Just let go and move your feet,
There really are no rules, Any way you dance is cool! Chorus (2x)

Don't worry how you move, Everything's a dancing groove
You can't do nothing wrong, 'Cause this is a footloose song! Chorus (2x)

Try dancing round and round, Now try jumping up and down.
Try leaping through the air, Dance away your worried cares! Chorus (2x)

Don't worry how you dance, Just let go and jump and prance,
Anything you do is great, Today's a day to celebrate! Chorus (2x)
