

# DOLPHINS

In the ocean blue, the dolphins play, Swimming around through the waves,  
Talking and laughing, chirping and splashing, All through the day.

So jump dolphins, jump real high, Jump the waves, touch the sky,  
Oh jump dolphins, jump real high, It's great to see you smile!

On quiet days, the dolphins play, Swimming around through the waves,  
Talking and laughing, chirping and splashing, All through the day.

So jump dolphins, jump real high, Jump the waves, touch the sky,  
Oh jump dolphins, jump real high, It's great to see you smile!

On stormy days the dolphins play, Swimming around through the waves,  
Talking and laughing, chirping and splashing, All through the day.

So jump dolphins, jump real high, Jump the waves, touch the sky,  
Oh jump dolphins, jump real high, It's great to see you smile!

Whatever the weather, the dolphins play, Swimming around through the waves,  
Talking and laughing, chirping and splashing, All through the day.

So jump dolphins, jump real high, Jump the waves, touch the sky,  
Oh jump dolphins, jump real high, It's great to see you smile!
