

DANDELION LULLABY

Dancing in the starlight, Earthbound flower moons
Dandelion fairy puffs, Sparkling in the dew.

All through the summer months, They hold their seeds so tight
Swaying on their long green stems, Through the day and night.

And as you lay your sweet head down, And close your sleepy eyes
Fairy puffs fly in the wind, In this magic lullaby.

Instrumental

And as you lay your sweet head down, And close your sleepy eyes
Fairy puffs fly in the wind, In this magic lullaby.

Dancing in the starlight, Earthbound flower moons
Dandelion fairy puffs, Sparkling in the dew.
