

JINGLE JANGLE SCARECROW

When all the owls are hooting, and the sun has gone to bed,
Up jumps the scarecrow, and this is what he says:
“I’m a jingle jangle scarecrow with a flippy floppy hat,
I can shake my hands like this, I can shake my feet like that.”

When all the bats are screeching, and the moon is behind a cloud,
Up jumps the scarecrow and sings right out loud,.....
“I’m a jingle jangle scarecrow with a flippy floppy hat,
I can shake my hands like this, I can shake my feet like that.”

When all the crickets are chirping, and the stars are shining bright,
Up jumps the scarecrow and sings with delight.....
“I’m a jingle jangle scarecrow with a flippy floppy hat,
I can shake my hands like this, I can shake my feet like that.”

When all the coyotes are yapping, and the sun has gone to bed,
Up jumps the scarecrow, and this is what he says:
“I’m a jingle jangle scarecrow with a flippy floppy hat,
I can shake my hands like this, I can shake my feet like that.”

When all the mosquitoes are humming, and the moon is behind a cloud,
Up jumps the scarecrow and sings right out loud,.....
“I’m a jingle jangle scarecrow with a flippy floppy hat,
I can shake my hands like this, I can shake my feet like that.”

When all the raccoons are muttering, and the stars are shining bright,
Up jumps the scarecrow and sings with delight.....
“I’m a jingle jangle scarecrow with a flippy floppy hat,
I can shake my hands like this, I can shake my feet like that.”
