

# Tidy Up

(Words and Music by Liam Maloy)

[spoken]

*This is a dance from way back when.  
It will help to you see your bedroom floor again  
It's called 'The tidy up'*

We're tidying up. We're tidying up.  
We're tidying up. We're tidying up.  
We're tidying up. We're tidying up.  
We're tidying up. We're tidying up.

And if we do it together, it won't take long.  
Putting things back where they belong.

That plastic elf?	<b>Back on the shelf!</b>
This cuddly fox?	<b>In the toy box!</b>
These dinosaurs?	<b>Back in the drawers!</b>
Pterodactyl's wing?	<b>Straight in the bin!</b>

We're tidying up. We're tidying up.  
We're tidying up. We're tidying up.  
We're tidying up. We're tidying up.  
We're tidying up. We're tidying up.

[Solo]

And if we do it together, it won't take long.  
Putting things back where they belong.

This dented globe?	<b>In the wardrobe!</b>
This half a drink?	<b>Straight down the sink!</b>
This baby toy?	<b>To the neighbour's boy!</b>
This too tight top?	<b>To the charity shop!</b>

We're tidying up. We're tidying up.  
We're tidying up. We're tidying up.  
We're tidying up. We're tidying up.  
We're tidying up. We're tidying up.
