

ARE WE THERE YET?

Words & Music by Judy Pancoast © 2000

CHORUS

Are we there yet?

Are we there yet?

Are we there yet?

'Cause it seems like we've been driving all day long

And I got nothing else to do so I'm just gonna sing my song,

I'm just gonna sing my song.

Going on vacation, buckled in the back seat;

Got great expectations, this is gonna be neat.

Got my books and crayons, got my favorite tapes.

I am so excited I just can't wait

REPEAT CHORUS

Tired of drawing pictures, bugged my baby brother

,,,,,my older sister, got yelled at by my mother.

Papa says the traffic's backed up to Timbuktu,

Well, Papa, you should have stayed on Timbuk-ONE!

REPEAT CHORUS

RAP

We've been planning this vacation since the end of December

But I feel like I've been in this car since September;

I look out the window, see the other cars pass

So I say, "C'mon Daddy, give it some gas."

But Daddy's not saying that much you know

He gave up talking ten miles ago.

I gotta use the bathroom, I'm in a bad mood,

Can't we please stop and get some food?

If I'd known I'd go crazy while taking this trip

I'd have begged to take a plane or a rocket ship!

**REPEAT CHORUS ENOUGH TIMES TO DRIVE YOUR PARENTS
CRAZY!**
