Down in Okavango, there's a muddy ole' swamp.
The crocodiles are hungry, and they're ready to chomp!
You paddle by quick in a tippy canoe, and it flips!
Oh no! What do you do? Turn to page two...

Up on Tututalak, where it's 60° below,
You're an Eskimo explorer stranded in snow.
The blizzard sets in. You'll be buried alive!
Hurry up, and get to chapter five...

Books are fun when you're by yourself
They don't do much up on a shelf
People and places come alive
All you have to do is look inside...

Out in outer space, there's a galaxy
And aliens invading Planet XYZ
You're flying in a starship to save your friends
To see who wins, you gotta get to the end...
