

Goodnight

Laurie Berkner

I'm a little kitty, and my mommy loves me,
I'm a little kitty and my daddy loves me
And when they tuck me in to sleep at night they go,
"Meoooooww!" goodnight!

Goodnight, goodnight, goodnight little kitty sleep tight,
Goodnight, goodnight, "meooow", goodnight!

I'm a little puppy and my daddy loves me
I'm a little puppy and my mama loves me
And when they tuck me into sleep at night they go,
"Woof, woof, woof" goodnight

Goodnight, goodnight, goodnight little puppy sleep tight,
Goodnight, goodnight, woof, woof, woof, goodnight!
I'm a little froggie and my Dad loves me,
I'm a little froggie and my Mom loves me,
And when they tuck me into sleep at night they go,
"Ribbit, ribbit, ribbit", goodnight
