

The Wheel on the Bus

Traditional alternate lyrics by Kathleen Rushing

The wheels on the bus go round and round,
Round and round, round and round
The wheels on the bus go round and round,
All through the town.

The lights on the bus go blink, blink blink...
The horn on the bus goes beep, beep, beep...
The wipers on the bus go swish, swish, swish...
The doors on the bus open and shut...
The money on the bus goes clink, clink, clink...
The babies on the bus go waaah waah waah...
The mommies on the bus go shhhhh, shhhhh, shhhh...
The grammies on the bus they rock the babies...
The grandpas on the bus go snore, snore, snore...
The daddies on the bus go text, text, text...
The kids on the bus go up and down, run around, and up and down...
The driver on the bus says, "Hey you kids, sit down back there!" ...
The bell on the bus goes ding, ding, ding ...
The doors on the bus open and shut ...

The wheels on the bus go round and round,
Round and round, round and round
The wheels on the bus go round and round,
All through the town.
