

School Days

Chorus

*On Monday, Tuesday, Wednesday, Thursday and Friday,
We come to this place called school to work and play.
So many people care for us in many special ways,
It's a safe and happy place, we want to stay.*

Verse 1

Teachers organize our learning, help us write and read
And volunteers, in lots of ways, are generous indeed.
Mums and Dads on canteen duty, when we need a feed!
Our buddies are the greatest, we're all agreed.

Chorus

Verse 2

I'm happy at school when I am friends with everyone.
When we appreciate each, other learning's really fun!
Nobody is happy until all the homework's done
And I don't like my school bag when it weighs a ton!

Chorus

Verse 3

I like it at my school when we all cooperate,
When we work well together and it's happy, fun and safe.
We're all individuals with very special traits;
We may be very different, but we're all great mates!

Chorus
