

Our Class Rules - OK!

Chorus

*We have rules and responsibilities,
To keep us safe and happy
And we take these very seriously,
We care for everybody!*

Verse 1

We -
Never shout or roar,
Sit with chair legs on the floor,
Share things at our table;
Never push or shove,
Treating everyone with love
And help out where we're able.

Chorus

Verse 2

Put –
Hands up in the air,
If we have something to share,
Knowing it's the right way;
Try to be polite,
Try to never fuss or fight
And then we'll have a good day.

Chorus

Verse 3

Point –
Scissors to the ground,
If we need to walk around,
Look out for each other.
We must all obey
What we hear our teacher say,
Respecting one another.

Bridge

Our class rules on display,
Remind us how we should behave,
To keep us safe and friendly.
They're there to see for all,
On the window or the wall,
But somewhere very clearly!
