

8. Three Scary Spiders

Three scary spiders hanging from a tree.
Three scary spiders hanging from a tree.
I walked under and one fell on me.
Oh no!

Now there are two scary spiders hanging from a tree.

Two scary spiders hanging from a tree.
Two scary spiders hanging from a tree.
I walked under and one fell on me.
Oh no!

Now there is one scary spider hanging from a tree

One scary spider hanging from a tree.
One scary spider hanging from a tree.
I walked under and one fell on me.
Oh no!

Now there are no scary spiders hanging from a tree.

Hey, where did all the spider go?
I don't know.
