

## 9. I Wanna Be Scary

What do you wanna be for Halloween?  
I don't know.

I wanna be scary.  
I wanna be scary.  
Halloween night is coming soon.  
I wanna be scary.

Should I be a mummy?  
Should I be a ghost?  
Should I be a fairy?

Hey, that's not scary!  
Yeah, I guess you're right.

I wanna be scary.  
I wanna be scary.  
Halloween night is coming soon.  
I wanna be scary.

Should I be a spider?  
Should I be a bat?  
Should I be a strawberry?

Hey, that's a fruit!  
That's not scary.

I wanna be scary.  
I wanna be scary.  
Halloween night is coming soon.  
I wanna be scary.  
I wanna be scary.  
Halloween night is coming soon.  
I wanna be scary.
