verse 1:
The breezes toss me back and forth
I'm on a swing
I get held up by air like a
Kite on a string
I'm in my seat
I kick my feet and
Lean in
The ground below
Doesn't get to go

chorus:
When I go up
I will come back down
Swinging, swinging
When I go down
I will come back up
Swinging, swinging

verse 2:
I watch the trees ahead of me
I see them bend
I see with dizzy eyes and the
Colors all blend
I'm in the air
I'm everywhere and
Deep in
I'm in between
In a sea of green

(repeat chorus)

verse 3:
I wonder why I like to go
Swing with the trees
I see the babies and it jogs
Sweet memories
My mother's lap
Her arms to nap and
Sway in
I'm bigger now
But she taught me how

(repeat chorus)

coda:
Swinging
