The eency weency spider went up the waterspout
Down came the rain and washed the spider out
Out came the sun and dried up all the rain
And the eency weency spider went up the spout again

The super duper spider went up the waterspout
Down came the rain and washed the spider out
Out came the sun and dried up all the rain
And the super duper spider went up the spout again

The teeny weeny spider went up the water spout
Down came the rain and washed the spider out
Out came the sun and dried up all the rain
And the teeny weeny spider went up the spout again

The spunky country spider went up the waterspout
Down came the rain and washed the spider out
Out came the sun and dried up all the rain
And the spunky country spider went up the spout again

The snazzy jazzy spider went up the waterspout
Down came the rain and washed the spider out
Out came the sun and dried up all the rain
And the snazzy jazzy spider went up the spout again
