

11. Fly Kite

Words: Mary Jo Huff

Music: James B. Coffey

Vocals: Amy Lee Moser

Fly kite fly; up into the sky
Fly kite fly; way, way up high
Fly kite fly; up into the sky
Fly kite fly; way, way up high

With a string and a twisty tail
I watch my kite as it sets sail
Up in the clouds so puffy white
My kite can sail out of sight

(Repeat all)
