**"This is your mother speaking. We've gone over this a million times before. After you're done using a tissue, please put it in the garbage can, not on the floor or under the bed. And when you take off those stinky socks I'd like you to put them in the hamper, not on the floor or under the bed."**

**Will you put all your toys?  
Will you put all your toys?  
Will you put all your toys in the toy box, please?  
Not on the floor (not on the floor)  
Not under the bed  
Will you put all your toys:**

**"Every single last monster truck  
Every last action figure, puzzle piece, doll, pencil, paint brush, coloring book, stuffed  
animal!  
And don't forget to put away the "Margaret Ann" doll that your grandmother bought for  
your birthday last year!"**
