Peggy Gerner 2007

**Let me eat all the good foods that Mother Earth provides
Let me run in the fields and dance in the sunshine
Just give me a chance, the chance to survive.**

I wanna live, be healthy and strong
I wanna live, be healthy and strong.**

**Give me the room I need to run and reach
Reach for the stars and run on the beach
Give me a big red apple or a sweet juicy peach**
