Alphabet Extension - Letter Recognition

Visual Aids

For full page versions, open the 05a_Letter_Recognition_Visual_Aids_01.pdf and 05b_Letter_Recognition_Visual_Aids_02.pdf.

Instructions: Project file on a screen OR print each letter grouping on 8½" x11" card stock (four letters per page). Cut out and laminate if desired. Attach a magnet strip or Velcro on back of each letter for use on a magnetic or felt board.

Alphabet Extension - Letter Recognition

Bridging Activities

For full page versions, open the 06_Letter_Recognition_Bridging_Activity.pdf file.

Instructions: Print each letter grouping on 8½" x11" card stock. Cut each letter card out, and pass all the letters out. Have the children color their letter(s) as colorful and creative as possible. Use colored letters in lesson.
