

## TRAVELIN' JACK

This is the story of Travelin' Jack  
Went on the road and he never looked back  
Had adventures as you will see  
If you walk along on this journey with me  
Let's walk

Travelin' Jack met up with a bear.  
You can imagine how that gave him a scare.  
The bear said, "I will eat you for fun."  
You should of see the way Travelin' Jack did run  
Let's run

Travelin' Jack met up with a lion  
It's hard to watch a grown man cryin'.  
That old lion was about to pounce  
You should of seen Travelin' Jack start to bounce.  
And he bounced right on out of there.

Travelin' Jack met a great big snake  
You should have seen him shake, shake, shake  
The snake was just about to swallow him whole  
And Travelin' Jack, why, he started to roll  
He rolled right on out of there.

Travelin' Jack saw a deep, dark cave.  
He went in thinking that he was so brave  
When he saw two big eyes and heard a loud roar.  
Whey he jumped into the lake and he swam to the other shore.  
Let's swim.

Travelin' Jack said, "one thing is clear,  
I've had enough adventures. I'm out of here."  
So Travelin' Jack started on his way back  
But that wasn't the end for Travelin' Jack.

He had to swim.  
He had to roll.  
He had to bounce.  
He had to run.  
He had to walk.
