

MIND YOUR MANNERS

Chorus:

Mind your manners. Mind your manners.

Remember to mind your manners. Mind your manners.

If you ever need or want something,

Just say Please! Please.

And when someone does something nice for you,

Just say Thank-you! Thank you.

Bridge:

It really doesn't take too long.

Remember you can't go wrong.

Just always be polite and always.

Chorus

You need to talk to someone or move through their space,

Just say Excuse me! Excuse me.

If you do something that makes someone mad,

Just say I'm sorry! I'm sorry.
