

4. THE ORDINAL SONG

(2:02)

Oh, oh.

I want to move like this,

But I always move like that.

And even when I move like this,

I end up moving like that.

I move like this. I move like that.

I move like this, like that.

I guess I'll have to move like that.

So I can move like this.

Second verse same as the first.

Third verse same as the first.

Fourth verse same as the first.

Fifth verse same as the first.

Last verse same as the first.

ACTIVITIES

1. Using the instrumental track, make up your own crazy ordinal song.
2. Pick children to line up in ordinal (sequenced lines first thru last) positions to do a verse to the song.
