ACTIVITIES

- 1. Make two alphabet strips for each child, one upper case and one lower case.*
- 2. Have children point to each upper case letter as Mr. Al sings during the first verse.*
- 3. Let the children point to the letters and sing with the children in the song during the second verse.*
- 4. During the chorus, have the children play air guitar and everyone join in the third verse and last chorus.*
- 5. Next time, have the children use their lower case strip during the song.*
- 6. When they get really familiar with the song, do a round-robin letting each child say one letter during the verse. This will be hard, but fun.*
