

#7 I Need To Read (2:21)

Chorus

I need to read. I need to read.

Listen, please. I need to read.

There are so many things that I'd like to know.

Why the birdies sing and the flowers grow.

Why the rivers flow out into the sea.

There's so much information in this world for me.

Chorus

There are so many places I'd like to go,

Like to Africa or down to Mexico.

See the seven wonders, sail the seven seas,

But if I never go just pass a book to me please.

Chorus

Books can bring the world to you.

Every page comes shining through.

With pictures, facts so you can find,

That reading's how to feed your mind.

Chorus
