

#12 Read Me A Story (2:20)

Chorus

*Read me a story. Read me a story.
Read me a story. 'Cause a story is just what I need.*

*Books take me places I want to go.
Just read a book and make it so.
Show me the future or bring me the past.
Read me a book and make it fast.
And if you want a story everyday, just say.....*

Chorus

*The more that you read, the more you will know.
Just get a book, come on let's go.
So many stories to read or to hear,
All gather round just lend an ear.
And when you want a story it's okay, to say.....*

Chorus

*Read me a story (everyday). Read me a story (show me
the way).
Read me a story (love to read). 'Cause a story is just what I need.*

ACTIVITIES

- 1. Use this song as a transition activity to story time everyday.*
- 2. Have a "Read Me A Story" week. See how many stories can be read to each child during that week by parents, teachers, friends or relatives. Set a goal. If you reach the goal, have a class party to celebrate.*
- 3. Read books to the children by different authors. Find out which authors are the children's favorites. Graph the books you read under an author category.*
- 4. Have parents volunteer to come in and read a story to the children. Don't forget to play the song.*
